

**REBIRTH
AND
DEDICATION TO THE PEOPLE**

**CITY OF NORTH BONNEVILLE,
WASHINGTON**

**IN THE COLUMBIA RIVER GORGE
SKAMANIA COUNTY**

**THURSDAY, FRIDAY, SATURDAY,
JULY 27, 28, 29, 1978**

There is a need for intimate human relationships,
for the security of settled home and associations,
for spiritual unity, and for
orderly transmission of the basic cultural inheritance.
These the small community at its best can supply.
Whoever keeps the small community alive
and at its best during this dark period,
whoever clarifies, refines, and strengthens
the vision of the small community,
may have more to do with the final emergence
of a great society than those
who dominate big industry and big government.

Dear Vi:

The North Bonneville Three-Day Celebration honoring the REBIRTH of the City on July 27 - 28 - 29, 1978 is now just a wonderful memory.

The Dedication Committee wants to THANK YOU and your staff for donating refreshments and Punch in the Library on Thursday and Saturday. The Arts & Crafts Exhibits were just great.

It is heart-warming to know there are so many people who still volunteer their time and talents for worthy causes so freely.

The Townspeople are very PROUD of their citizens who pitched in and helped during the Celebration.

Kindest regards,

Marcia Mansfield
